

The Hilton Garden Inn Dallas/Allen offering students real world experience

The Hilton Garden Inn Dallas/Allen, in partnership with Allen High School, is hosting 20 juniors and seniors as interns; each student has expressed interest in the hospitality industry. The students have the opportunity to explore the multifaceted world of hospitality through class work and real world experience by working three days per week at the hotel.

Hilton managers mentor the students each day and help them as they experience the hotel business first hand. The students have worked in the kitchen preparing food for banquets, they have worked in the ballrooms preparing tables and place settings for meetings, they have received TEAM training on the front desk thru Hilton Hotels

Corporation's programs and guidelines, worked with the Hilton sales TEAM on sales calls and they are scheduled to work with the housekeeping and maintenance departments beginning in January.

The 150-room Hilton Garden Inn Dallas/Allen (including 20 suites) is conveniently located at 705 Central Expressway S (Bethany exit 33).
